Saving Boyd Island

FOCA member group, the Big Bald Lake Cottagers' Association (BBLCA) has pledged to Sponsor an Acre for \$1,000 as part of the **Save Boyd Island** campaign. "We're challenging other local cottage associations to do the same!" notes BBLCA Director Nancy Boyce.

At 1,165 acres, Boyd Island is the largest undeveloped and unprotected island in southern Ontario. In addition to its ecological values, Boyd Island has enjoyed a rich and diverse cultural history. Get details here: <http://kawarthalandtrust.org/help-save-boyd-island/>

Customizable Natural Heritage Area Map

A new MNRF web application allows you to make a custom map of your region's wetlands, natural heritage, and areas of natural and scientific interest, among other features. The tool also shows topographic information such as roads, rivers and municipal boundaries. Check out the map here: <http://www.ontario.ca/page/make-natural-heritage-area-map> or by clicking the image at right.

Make a Custom Wetland Map

The Ministry of Natural Resources and Forestry has a web application that anyone can use to make a custom map of wetlands and evaluated wetlands in Ontario. Visit <http://www.ontario.ca/environment-and-energy/make-natural-heritage-area-map> for more information.

We are keen to hear how you or your association uses this new resource! Keep FOCA posted: info@foca.on.ca

Haliburton Enviro-Heros

On September 27th, the **Haliburton Highlands Land Trust** recognized a number of groups for their work on local environmental causes. FOCA's past President, Ted Spence, accepted one of the awards as chairman of the [Coalition for Equitable Water Flow](#), for their work on integrated water management and partnership with the Trent-Severn Waterway. See the Haliburton Echo's summary of the event, here: <http://www.haliburtonecho.ca/gala-recognizes-environmental-contributions?id=876>

Snowmobilers: Trail Permits ON SALE

The **2016 Seasonal Permit** is now available online only (ofsc.on.ca) until November 1st for \$180 - its lowest fee of the season and a 30% saving off its regular fee of \$260. This permit enables snowmobilers to ride any of the more than 30,000 kilometres of OFSC Prescribed Trails for the entire winter.

Flying Lanterns Update

On October 13th, the City of Kawartha Lakes Council voted to prevent the use and sale of flying lanterns across the municipality.

Did You Know?

Earlier this year, one of FOCA's member groups on Georgian Bay brought us this photo of a strange gelatinous blob on their Sturgeon Bay shoreline.

Do you know what it is? This is a bryozoan colony of aquatic invertebrates that feed on algae and plankton, and in turn provide food for fish, aquatic insects and snails.

For more, check out this recent blog by Ottawa Riverkeeper on the topic:
