An invitation to all Wolfe Lake members and friends (of all ages)

JOIN US @ THE FALL WALK 2018

Saturday | Oct 13, 2018 | 2pm– 4pm

The fall is – in our modest view – a wonderful time of the year and has a lot to offer. Whether it's strolling, walking or hiking, you'll find beautiful surroundings wherever you decide to explore the lovely pathways around Wolfe Lake. Following up last year's successful walk on the grounds of Camp IAWAH, we will once again strap on our hiking boots. **Bruce Maynard** and **Helene Wach** will be our hosts and will guide us onto paths on their pristine forest property, located on the west side of the lake, on Belknap Road.

The intention is to do a hike of approximately 4 – 5 kilometers. This hike is certainly doable for all but can be a bit challenging at times. For those who would like to opt for a shorter and easier walk, Bruce and Helene designed a shorter route of just a few kilometers.

We encourage association members to **register/rsvp** at com-wolfelake@outlook.com to join us on the west side of Wolfe Lake to be part of this year's Fall Walk on Saturday October 13, starting at 2 pm and please do inform us the number of participants of your group

Good foot wear and a water bottle are highly recommended. In the event of inclement weather, we will determine whether to cancel (or postpone) the fall walk, and will inform you on Saturday morning October 13, before 11.00 am.

PROGRAM

- 1:50 pm** Please park your car at the gate on Belknap Road, located on the west side of Wolfe Lake and (at the end of Lee Road). Make sure to park your car in the direction of traffic and leave room for other vehicles to pass.
- 2:00 pm** Bruce and Helene (and Anna Rijk, representing the association) will welcome you and briefly explain the long (ca. 4-5 km) and short hike (ca. 3 km).

After the walk light refreshments will be served.
